- The First Meeting of the BoS Committee of the EEE Department was held on 14th & 15th May, 2018, at EEE Department, GNITS, Hyderabad.

Minutes of the Meeting:

- Dr. N.Malla Reddy, BoS Chair, extended a cordial welcome to all the members of the BoS for EEE, for the 1st BoS Meeting of EEE Department (after attaining the UGC Autonomous Status in April 2018), and introduced all the members.
- After lengthy deliberations and progressive discussions, all the Members of the BoS for EEE have unanimously approved:
 - The Four Year 8 Semester UG Degree for B.Tech. Programme in EEE Department, with a total of 160 Credits, as per contents enclosed.
 - The Course Contents and Syllabi of all the Courses/Subjects & labs of the first 4 Semesters or the first TWO years of B.Tech. Degree Course in EEE, as per details enclosed.
 - The Two Year 4 Semester PG Degree **Course Structure** for M.Tech. Programme in EEE Department - with Power Electronics & Electric Drives (PEED) specialization, with a total of 68 Credits, as per contents enclosed.
 - The Course Contents and Syllabi of all the Courses/Subjects & labs of the 4 Semester M.Tech. Degree Course in EEE with PEED specializations, as per details enclosed. (e) The syllabi of Six Subjects (4UG + 2PG) offered by Mech. Dept. and syllabus of UG course "Network Theory" offered by ECE & ETE departments as per details enclosed.
- The BoS Committee formally authorized the BoS Chair, to incorporate minor modifications or corrections in both UG & PG Course Structures, Academic Regulations (2018) and course contents as may arise at a later date, if approved and recommended by the core Committee of the EEE Department.
- The BoS Committee formally authorized the BoS Chair of EEE Department, to suggest the Panels of Question Paper Setters, Examiners and Evaluators required for all the Subjects/Courses offered by the EEE Department as listed in the approved UG and PG Course Structures (2018).
- The BoS Committee also approved the BoS Chair's proposal to present the details pertaining to Course Contents and Syllabi of all the Subjects/Courses related to the 3rd and 4th years of B.Tech. Degree Course in EEE, in the Second BoS Committee Meeting of the EEE Department, for necessary approvals.
- The BoS Chair informed the Committee Members that the Second BoS Committee Meeting of the EEE Department can be held any time within 6 to 12 months.

Electrical & Electronics Engineering

Minutes of the 2nd BoS (EEE) Meeting held at the Dept. of EEE, GNITS

The 2nd Board of Studies Meeting of the **Department of EEE**, GNITS (UGC Autonomous), Hyderabad, has been conducted on Saturday, **30th March 2019**, within the Department, and the following are the 'Minutes of the Meeting, and the associated resolutions:

- 1) The Minutes of the **1st Board of Studies Meeting** of the Department of EEE, GNITS (UGC Autonomous), held on 14th & 15th May 2018, have been reconfirmed.
- 2) After detailed discussions and satisfactory deliberations, the following resolutions are considered and approved unanimously:
 - i) Resolved to approve and accept the Course Structure, Course Contents and Syllabi for the B.Tech. 3rd year and 4th year (5th to 8th Semesters), as listed. The Course Structure requirements are as per the guidelines suggested by AICTE Model Curriculum of Jan. 2018 (with 160 Credits for B.Tech. Program).
 - ii) Resolved to approve the Lists of Professional Electives, Open Electives and Service Courses for other departments viz. Mechanical (2 courses) and ECE (One course), in addition to the Core Subjects and Labs, mini-project (for 2 Credits) after the completion of 3rd year (before commencement of 4th year), Seminar and B.Tech. Project as specified.
- 3) In view of AICTE/UGC suggestions and guidelines, it is recommended to include **"INTERNSHIP"** for B.Tech. (EEE) Program students, in the 8th Semester (4th Year 2nd Semester), for One Semester Duration, in addition to the B.Tech. Project requirements already specified, with the following notes:
 - i) The internship will be "Industry Internship", and is exclusively meant for all those students who have been considered eligible and selected accordingly by the Industry. Based on such selection letters by the Industry, approvals will be given to individual students by the Head of Department and the Principal of the

Institution to carry out the Industry Internship for One Semester. The Internship Performance will be evaluated by the Supervisor/Advisor/Guide from the Industry for 100 marks (there will not be any Internals/Sessionals from the department side), and a Certificate is to be issued to that effect from the Industry. The Internship will carry a weightage of 3 Credits, and all students who undergo Internship Program are exempted from the prescribed Open Elective Course of B.Tech. (EEE) – 4th Year 2nd Semester (which is also for 3 Credits).

- ii) If any student fails to complete this Internship Program due to any reason whatsoever, or fails to secure at least 50% marks in his/her Internship Performance Evaluation, will have to register for the previously exempted Open Elective Course of 4th Year 2nd Semester, in the next subsequent semester(s), as a 'supplementary candidate', and complete all the academic requirements as needed.
- iii) Because of the mandatory physical presence of the student required at the Industry during the Internship Period, provision is made to the effect that 'students on Industry Internship may be permitted to choose ONE ON-LINE Course (of NPTEL/MOOCs level - for 3 Credit Weightage), in place of the existing Professional Elective Course of 4th Year 2nd Semester of the B.Tech. (EEE) Program, preferably in the same domain specialization, subject to acceptance and approval by the Head of Department of EEE. In such cases, the student's performance evaluation will be as per the ON-LINE Course evaluation format. If any student fails to get the required Grade/Marks in his/her ON-LINE Course evaluations, he/she would have to repeat the same ON-LINE Course again (as and when offered) and complete it successfully, thereby completing the academic requirements.
- 4) The BoS Committee authorizes the Head of the Department of EEE, to include the required Course Numbers, and make any minor corrections/modifications if needed, in the final book preparation for the "Academic Regulations, Course Structure and Syllabi for the B.Tech. 4 Year Program in EEE", for GNITS (for Women), Hyderabad.
