We are glad to inform you that, the team from G. Narayanamma institute of technology and Science, Hyderabad, has successfully completed their internship at BookMyStall from **2nd January 2020 - 16th April 2020**. BookMyStall is an Indian Exhibition-Tech startup that has intrinsically been providing technology solutions to the Hypermarkets of India.

During their internship, the team members (size of 4) has worked on the project "Second Manager", an industry based CRM system. It is one of the major and live modules of the organization at the point of time, and their work has extremely helped us in finishing the project.

We found them extremely inquisitive and hard working. They have very well coordinated with the internal team of our organization and finished the depths of the standout.

Their association with us was very fruitful, and we wish them all the best in their future endeavors.

Warm Regards,

P. Maruti Prasad,
Director & CEO,
BookMyStall.
