Internship offer

Dear Supritha,

Further to the interviews and discussions conducted as part of the campus hire drive, we are pleased to extend you an internship with our organization for a period of around **12 weeks** in **Neudesic-Hyderabad office** commencing from **Jan 2020**. If you choose to accept this offer prior to 19 January 2020, you will be intimated about the date of commencement of internship through further communication.

The internship will provide you a platform to work closely with our consultants and have a hands on experience in various technologies. During the internship period you are expected to be in the intimated Neudesic office. There will be no compensation paid during the internship period and you will be expected to bring your own IT assets including laptops.

Our work culture is informal and we try to encourage self-motivated individuals. We will try and make every effort to ensure that you have an atmosphere that brings out the best in you. You must not disclose confidential company information to unauthorized third parties.

The successful completion of internship program, can result in Employment Offer if deemed fit. In the event of you getting an employment offer post your internship, the date of joining will be on or before 31st December 2020.

If you choose to accept this **offer of internship**, please revert to our mail within 2 days confirming your acceptance of internship.

Sincerely,

Priya Ignatius
Director, Human Capital Management
Neudesic Technologies Private Limited
