Re: Internship Offer Letter

Congratulations! We are delighted to inform you that you have been accepted for a 4-month Internship in Computer Science Teaching with the Pi Jam Foundation.

Terms and Conditions

Your term will commence on **19th February 2020**. This letter outlines the terms of your internship.

A. Position and Duties

Your duties will be outlined by the trust with a focus in the following areas:

1. Teaching our curriculum in the school(s) you are placed in.
2. Ensure you attend all the training sessions.
3. Ensuring all deliverables are submitted like lesson plans and other data.
4. Ensuring students are pushed in their critical thinking and problem solving abilities.
5. Cooperate with other organizational responsibilities assigned to you.

B. Compensation

The compensation for the 4 month internship, from 19th February 2020 to 10th June 2020, will be 13,500 INR.

- I am aware that payment of stipend is conditional upon my adherence to commitments outlined under section (A) above.
- The payment will be credited to the bank account provided at the completion of internship.
