Minutes of the Common Board of Studies Meeting GNITS, HYDERABAD

The 2nd Board of Studies Meeting of the Department of Humanities & Mathematics, GNITS (UGC Autonomous), Hyderabad, has been conducted on 30/3/2019, within the Department, and the following are the 'Minutes of the 2nd BoS Meeting, and the associated resolutions :

- 1) The Minutes of the 1st Board of Studies Meeting of the Department of Humanities & Mathematics, GNITS (UGC Autonomous), held during May 14 - 15, 2018, at GNITS, Hyderabad, have been reconfirmed.
- 2) After detailed discussions and satisfactory deliberations, the following resolutions are considered and approved unanimously:
 - i) Resolved to approve and accept the Course Structure, Course Contents and Syllabi for the B.Tech. 3rd year and 4th year (5th to 8th Semesters), as listed. The Course Structure requirements are as per the guidelines suggested by AICTE Model Curriculum of January 2018 (160 Credits for B.Tech. Programme).
 - ii) Resolved to approve the Lists of Professional Electives, Open Electives and Service Courses (for other departments), in addition to the Core Subjects and Labs, Summer Internship (for 2 Credits) after the completion of 3rd year (before commencement of 4th year), Seminar and B.Tech. Project as specified.
- 3) In view of AICTE/UGC suggestions and guidelines, it is resolved to recommend the inclusion of **"INTERNSHIP" for B.Tech. Students**, in the 8th Semester (4th Year 2nd Semester), for One Semester Duration, in addition to the B.Tech. Project requirements already specified, with the following notes.
 - i) The internship will be "Industry Internship", and is exclusively meant for all those students who have been considered eligible and selected accordingly by the Industry. Based on such selection letters by the Industry, approvals will be given to individual students by the Head of Department and the Principal of the Institution to carry out the Industry Internship for One Semester. The Internship Performance will be evaluated by the Supervisor/Advisor/Guide from the Industry for 100 marks (there will not be any Internals/Sessionals from the department side), and a Certificate is to be issued to that effect from the Industry. The Internship will carry a weightage of 3 Credits, and all students who undergo Internship Programme are exempted from the prescribed Open Elective Course of B.Tech. 4th Year 2nd Semester (which is also for 3 Credits).
 - ii) If any student fails to complete this Internship Programme due to any reason whatsoever, or fails to secure at least 50% marks in their Internship Performance Evaluation, she would have to register for the previously exempted

Open Elective Course of 4th Year 2nd Semester, in the next subsequent semester(s), as a 'supplementary candidate', and complete all the academic requirements as needed.

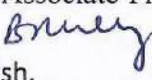

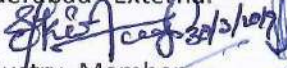

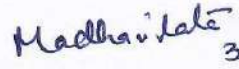

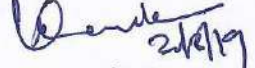

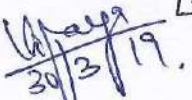

iii) Because of the mandatory physical presence of the student required at the Industry during the Internship Period, provision is made to the effect that *'students on Industry Internship may be permitted to choose ONE ON-LINE Course (of NPTEL/MOOCs level - for 3 Credit Weightage), in place of the existing Professional Elective Course (Professional Elective – 6) of 4th Year 2nd Semester of the B.Tech. Programme, preferably in the same domain specialization, subject to acceptance and approval by the Head of Department concerned* such cases, the student's performance evaluation will be as per the ON-LINE Course evaluation format. If any student fails to get the required Grade/Marks in their ON-LINE Course evaluations, she would have to repeat the same ON-LINE Course again (as and when offered) and complete it successfully, to meet all the academic requirements.

iv) The BoS Committee accepted and approved to include all the modifications arising from the inclusion of "Internship" Activity for the B.Tech. 4th Year 2nd Semester Students, and authorized the BoS Chair to effect the same into the Book of Academic Regulations, Course Structure and Syllabi, for B.Tech. for the batches of students admitted from 2018-19 Academic Year onwards.

- 4) The BoS Committee authorized the Head of the Department to include the required Course Numbers, and make any other minor corrections/ modifications if needed, in the final book preparation for the "Academic Regulations, Course Structure and Syllabi for the B.Tech. 4 Year Programme for GNITS (for Women), Hyderabad.
