**INVITATION LETTER**

Your studies at **Karlsruhe University of Applied Sciences** –  
**M.Sc. Sensor Systems Technology**  
Gundu, Sushrutha; Indien; dob 15.09.1996

Dear applicant,

As you fulfil the application requirements (recognized first academic degree with above-average final grade corresponding to a German bachelor, evaluation of achievements in master's studies by the partner university resulting in high ranking number, English language proficiency) we are happy to confirm that you have been accepted as a **double degree** student on the

English-language **Master's Degree Program in Sensor Systems Technology**  
at **Karlsruhe University of Applied Sciences**  
from summer semester 2019 onward.

Your compulsory German language course will start in March 2019, the lectures will start on 18 March 2019. Therefore, please arrange for a valid residence permit visa for study purposes, as well as proof of health insurance for the whole duration of your stay. Note that in order to guarantee a smooth registration process, including the issuing of a Campus Card, we strongly advise you to arrive at the latest one week before the lectures start.

**Please start your visa application as soon as possible because the procedure will take about eight weeks minimum.**

Details regarding the German language course and the registration procedure will be sent to you in due course. Please confirm the acceptance of the study place no later than 10 January 2019 (e-mail: lea.scholz@hs-karlsruhe.de).

Yours sincerely,

*J. V. S. Lembach*

Dear Sesha Sanjana,

Congratulations! You have been accepted into the M.S. Information Systems program at Northwest Missouri State University beginning in the spring 2019 trimester.

The program coordinator for your major is Dr. Joni Adkins. If you would like to contact her for advisement, her e-mail is [msis@nwmissouri.edu](mailto:msis@nwmissouri.edu) and her phone number on campus is 660-562-1803.

Please review this carefully and contact the Graduate Office at 660-562-1144 with any questions or concerns.

All coursework submitted to fulfill a master degree must be completed within an eight-year time period.

Northwest Missouri State University is proud of a long tradition of academic excellence, a fine faculty and a strong academic curriculum. We are happy for the opportunity to help you meet your educational goals.

Sincerely,

Gregory Haddock  
Associate Provost of Graduate and Professional Studies

Sai Suhas Residency, Phase 1, Kamalapuri Colony  
Hyderabad, In-Tg, 500073,  
India

Dear Ms. Sanikommu,

Congratulations on your admission to graduate study at the University of Southern California. Your academic records indicate that you will make a significant contribution to academic life at the university.

You have been admitted as a graduate student in Data Informatics within the Andrew and Erna Viterbi School of Engineering for Fall 2018. Your degree objective is the Master of Science. Please include your USC ID (3652-0422-72) whenever you correspond with the university. This admission is offered subject to your maintaining your present level of academic achievement. If you have not already done so, you must provide proof of satisfactory completion of any studies in progress, and submit final academic records from each institution you have attended. Important information about placement exams and orientation will be sent to you by e-mail. While enrolled at USC, you are expected to maintain a 3.0 GPA or better to remain eligible to complete your degree. Please note that any courses taken outside of those specified for your degree program in the USC Catalogue require advance approval from your department. Change of major requests may be submitted only after completion of your first semester. Please carefully review the Continuing Registration Requirement information which lists all the requirements you must meet within your first term(s) of USC enrollment to continue in your degree program. You must meet with a staff advisor to resolve these conditions.

We encourage you to review the admitted student portal at [gradwelcome.usc.edu](http://gradwelcome.usc.edu), which includes specific information about registration and enrollment. You will also find a link to the portal at [you.usc.edu](http://you.usc.edu) when you click on the Statement of Intent button. Please submit the Statement of Intent: Graduate Studies form whether or not you decide to enroll at USC. Certifying your USC enrollment will allow you to create your university e-mail account, register for Graduate Student Orientation, and access your USC records.

As an international student, you have also demonstrated adequate financial support to receive an I-20 or DS-2019. This will be issued to you once you certify to enroll at USC. You must use this document to obtain a visa for entrance into the United States.

We are delighted to officially welcome you to our community of scholars, and look forward to seeing you on campus!

Sincerely,

Timothy J. Brunold  
Dean of Admission

Dear Anvita,

It is my pleasure to offer you admission to the Master's in Computer Science program at NYU Tandon School of Engineering as a Full-Time student. If you have not already done so, please request that official copies of your academic record be sent immediately or you will not be permitted to register. If you enroll, you will also be required to provide official documentation of proof of university degrees completed.

This is an exciting time to be joining the NYU Tandon School of Engineering, the second oldest private engineering school in the United States. You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a hallmark of NYU School of Engineering for more than 110 years. The Graduate Admissions Committee is confident you are well prepared to make significant contributions to your field through our rigorous graduate program.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. The incorporation of research into classroom teaching fosters a dynamic environment where students and faculty share a passion for the creation and execution of world class research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions in your career.
- A diverse environment for worldwide academic collaboration. New York University is a global network university with portal campuses in multiple international academic centers. You will have the opportunity to work with students and faculty from around the world.

To accept your offer of admission and pay the \$500 non-refundable tuition deposit, go to [home.nyu.edu](http://home.nyu.edu). Once you are signed in to NYUHome, access NYUAlbert and click on "Applicants", followed by "Application Status," and then "Admissions Offer." Navigate through the online accept/decline process by following the instructions. Anvita, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Tandon School of Engineering.

Sincerely,

 An Image
