Dear Venkata Sridevi:

I am happy to inform you of your admission to the Master of Science in Computer Science program for the Fall 2017 semester. I congratulate you on this honor and look forward to having you join the UNC Charlotte community. Please log into your application at the mygradschool.uncc.edu portal and indicate whether or not you intend to enroll. Shortly after you confirm your intent to enroll, you will be able to register for classes.

You are classified as an Out-of-State student and will be charged the appropriate tuition and fees. Should you disagree with this classification, or at such time you become eligible for residency, you must file a residency application with the Residency Determination Office at http://resdetermination.uncc.edu to have your classification reviewed. Note that this offer of admission does not constitute an offer of financial support, and any such offer will be extended via a separate email communication. Please communicate directly with the Graduate Program Director to determine if you wish to be considered for funding.

Additionally, you should become familiar with the rules and regulations of UNC Charlotte, the Graduate School, and your graduate program. Your attention is specifically directed to the Graduate School's statement on *Student Responsibility*, the *UNC Charlotte Code of Student Academic Integrity*, and the *UNC Charlotte Code of Student Responsibility*. These documents are available online in the Graduate Catalog at http://catalog.uncc.edu.

Now that you are admitted, visit the New Graduate Student Orientation web page at http://gradlife.uncc.edu for detailed information regarding orientation, class registration, tuition and fee costs and the estimated costs of attendance, immunization requirements, and *NinerNet* accounts. Special attention should be given to the immunization requirements given that students have 30 days from the first day of class to be compliant.

Your UNC Charlotte Student ID is **801023612**, and your *NinerNET* username is **vakondi**. You will need the username to activate your *NinerNET* account at https://pwmanager.uncc.edu. Using your *NinerNET* account, log into the *My UNC Charlotte* at https://my.uncc.edu, a web gateway that provides you access to systems and services on campus including registration.

Dear Snehitha Kavuri:

Congratulations! I am pleased to inform you that, after careful assessment of your application, you have been granted admission to the following program:

**Master of Engineering
Information Systems Security**

This is your official letter of acceptance. As an international student, you are required to obtain a Study Permit and a Quebec Certificate of Acceptance (CAQ). Please read carefully the enclosed "International Students Pre-Departure Guide" to determine the procedures.

The attached Offer of Admission gives information about the program to which you have been admitted, any conditions that apply to your admission, and further details regarding financial support. If you have any questions regarding your Offer of Admission, please feel free to contact us via email at graduate-admission@encs.concordia.ca. Please confirm your acceptance of this Offer of Admission in your Student Centre at www.myconcordia.ca by August 22, 2018.

To learn more about your program, please refer to the Faculty of Engineering & Computer Science website at http://www.concordia.ca/encs/academics/programs. Please contact the program assistant for course registration procedures. Contact information can be found in the following pages. You should arrive in Montreal and register for your courses by January 7, 2019.

Given your achievements, potential and academic intent, I believe that your academic interests will be well served by this program. I take this opportunity to welcome you to Concordia University and wish you every success in your studies.

Sincerely yours,

Mourad Debbabi, Ph.D.
Associate Dean, Research and Graduate Studies
Faculty of Engineering and Computer Science
