2021-01-29

Dear Neha Reddy,

Congratulations! It is my distinct pleasure to offer you admission to the Master's in Electrical Engineering program at NYU Tandon School of Engineering as a Full Time student. I am also pleased to offer you a scholarship of \$7,000 per year as a recognition of your previous academic achievements. Additional information about this award will follow in the coming days.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. Students and faculty share a passion for the creation and execution of world class research and projects with global impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions throughout your career.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a long-standing hallmark of NYU School of Engineering.

Be sure to accept the offer of admission and reserve a space in the Fall 2021 class before your deposit deadline. To view your deposit deadline and find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. You also have access to your personalized dashboard at gradadmit.engineering.nyu.edu. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Neha Reddy, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweiler M.Ed
Assistant Dean, Admissions

*I certify that I have reviewed all of my application materials, including having previewed all uploaded documents, to insure that they are complete, correct, and legible. I agree to provide official and final transcripts for all previously attended academic institutions, including proof of degree completion for any institution for which I entered a degree conferral date in my application for admission. I acknowledge that failure to provide official

transcripts, proof of degree completion and/or any other academic certificate will prevent me from registering for courses at NYU. I understand that my application fee is non-refundable. I certify that I have read and understood all instructions accompanying this application and have answered all questions truthfully to the best of my knowledge. I understand that any misrepresentation or omission may be cause for denying admission or permission to register at any time. I understand that this application and all materials received in support of it become the property of New York University and will not be duplicated or returned to me for any reason. Furthermore, I understand that New York University reserves the right to deny admission or permission to register or require the withdrawal of any student at any time for any reason it considers sufficient, including scholarship, character, and personal conduct. Tandon reserves the right to share your application materials with other departments and programs within Tandon. I understand that this application may be superseded and that the University reserves the right to alter requirements or change deadlines. This form becomes part of your permanent record with the University. Please be sure all information is complete and accurate.
