Web Development using PHP

18-01- 2020 & 19-01-2020

A Report on "24hour hackathon on Web Development using PHP"

Date: 20/01/2020

A 24 hour hackathon on "Web Development using PHP" was organized for II year, CSE students, during 18th - 19th January, 2020 under GNITS-CSI student chapter. **Mr. Pavan and Mr. Mahesh, PHP Trainer, Brain-O-Vision solutions Pvt. Ltd, Hyderabad and team** have mentored the students during the hackathon.

The objective of the hackathon is to make the students develop web applications for business requirements.

Highlight's of the hackathon are:

- Total of 136 students in 36 teams developed different web applications during the 24hour hackathon.
- Judges are Ms. Harika Ganta, Brand Development analyst, Six10ventures, Mr. Susheel, CEO, 10XBiZ, Mr. Ravi Susmith, Co-founder, and Business consultant, 10XBiZ.
- 6 teams are selected and were given internship opportunity during their summer break.

Overall 90% of the students gave feedback as **"Good"** for the organization of hackathon and support from the mentors. The students expressed that they have gained much knowledge in very short period and are very much satisfied for the conduction of the hackathon.
