Dear Kusuma,

Congratulations! You have been admitted to the **Master of Science in Computer Science program** for Fall 2019 at the Illinois Institute of Technology! We join you in celebrating this achievement and hope your time at IIT is filled with personal and professional growth. We're confident you will succeed beyond expectations as an Illinois Tech student and look forward to including you among IIT alumni.

During the application review process, all students are considered for funding. If you have received any funding and/or scholarships, you will receive a notification by email.

We have also verified your financial documents, so you will soon receive your SEVIS ID. Your official admission letter and I-20 (or DS-2019) will be sent to your mailing address which is indicated in your App Tracker; if you need us to ship your package to a different address or want to pick it up at our office, notify us as soon as possible. Please allow two weeks for the creation and shipment of your admission materials. If you have committed to attending our school, please be sure to submit your Intent to Enroll form and pay the deposit in your App Tracker under the Decision Status section to secure your seat at Illinois Tech. To defer your admission for any reason for up to one year, please request a deferral in your App Tracker. Even if you chose another institution, please inform us in the **Intent to Enroll form** in the App Tracker as well.

Once you receive your Illinois Tech credentials in a separate email, you may pay your admission deposit in the **MyIIT** portal. In the meantime, review your next steps in preparation for classes plus information on registering, payments, and the academic calendar.

To complete your Intent to Enroll and pay your deposit, please visit your App Tracker.

Once again, congratulations on your admission to Illinois Tech. We look forward to welcoming you to our community.
