Subject: LITE - Faculty Training for Batch 1 complete  
To: <[manthena.deepthi@gmail.com](mailto:manthena.deepthi@gmail.com)>

Dear Manthena Deepthi,

Congratulations! You have successfully completed the LITE faculty training by completing upto Level 5 of WD201 course by the deadline of October 04, 2021.Â

We will share the LITE faculty training certificate with you and your institution post approval from AICTE.

As mentioned in our previous emails, you can continue progressing through the WD201 course, if you want to, and complete it by **November 30, 2021**. After this date, your course access will end and you will not be able to complete the targets and make any submissions. Please note that the deadline will not be extended. We will share a form to take your course related feedback post November 30, 2021. You will receive WD 201 course completion certificate once you successfully complete the course.Â

We trust that you haveÂ gone through the [Code of Conduct](#). Please continue to ask questions if you face any difficulty in the course on the Web Development Community on Pupilfirst LMS or Discord server.Â Give us enough information, such as screenshots of errors or codes so that we will be able to guide you better.

We will write to you separately regarding WD Minor degreeÂ integration for students at your institution.Â

Regards  
Pupilfirst Team

LEADERSHIP IN TEACHING EXCELLENCE

This is to certify that

**Manthana Deepthi**

*from G. Narayanamma Institute of Technology and Science For Women, Hyderabad, Telangana*  
has fulfilled all requirements to be awarded the title of

**AICTE LITE Faculty Coordinator**

AICTE's Leadership In Teaching Excellence (LITE) programme aims to work with aspiring academic Institutes and train it's select faculty members in advanced curriculum designed by industry and enable them with skills to create a culture of teaching excellence at their institutions.

LITE faculty coordinators are AICTE's brand ambassadors of change to implement transformational goals of National Educational Policy 2020 such as learner-centered pedagogy, competency based curriculums, continuous and personalised assessments and identifying gifted school children for direct admission to Universities.

From amongst 624 faculty applicants across 136 institutions in 22 states, 98 faculty from 50 institutions were selected for LITE Batch#1 training under senior software engineers from the industry in Web Development curriculum covering Javascript, Ruby, HTML & CSS by

**PUPILFIRST SCHOOL**

This recognition is being jointly awarded by AICTE and Pupilfirst.org, founding member of National Educational Alliance for Technology programme of Ministry of Education, to certify the successful completion of Web Development training that enables the faculty to facilitate delivery of a 20 credit minor degree programme in advanced web development.

With all its rights and privileges, the signatures of the Chairman of AICTE and Pupilfirst.org are hereunto affixed as a witness to this transformational programme and being a role model to the professional academic community.
