Dear Professor **Prof. Mandakini**,

We have received your nomination for the upcoming Wipro **TalentNext Wipro Certified Faculty [WCF]** training program starting from **04th October 2021**. As a next step, we have enabled self-learning modules on the assigned topics on our learning platform PBLApp from today – **27th September [Monday]**. Request you to go through below link and refresh your programming knowledge, this will help in better learning experience. You will be receiving the **workshop link by Thursday/Friday**.

[Find below your training schedule](#)

WCF Workshop is an overall 4 weeks event.

Week 1 : 27th Sep – 01st Oct [Self Learning Phase] – Professors to go through self-learning on the assigned topics on PBLApp. They should at least go through the fundamentals.

Week 2,3,4 : Starting 04th Oct - Java Learning on [VILT mode](#) followed by 2 days of Python learning conducted by Wipro Mentors

The workshop is activity-based and focuses on hands-on modules and technological know-how in the current context of Digital disruption. Workshop timing on all days except **last 2 days** will be **9 am to 1.00 pm** followed by **assignments, which the professors can complete before the next day's session as per their convenience. Last 2 days will be from 9 am to 5 pm covering Python.**
