Elaprolu Vandana (19251A0580)

Mitta Lahari Reddy (19251A0597)

Peram Navya (19251A05A3)

*MS*

## ABSTRACT

“GNAN” is an app which aims to provide all the textbooks,reference books, previous years question papers and online resources for B.Tech students . Due to the pandemic situation students and faculty are unable to access the resources required.

To overcome this difficulty and owing to the advancement of technology, accessing materials through“GNAN” becomes much simple and easier. This app allows all the students irrespective of their branch and section to access all the sources. All the books and study materials can be downloaded and used.

Over all this project is being developed to help students and faculty to access the resources without much human effort.

“GNAN” also includes placement preparation guide where users can get exposed to the experiences of the seniors during interviews and suggestions from them. There will be a forum for the clarification of student’s doubts.

## SYSTEM REQUIREMENTS:

### Software Requirements:

Platform	- Android
Front End	- XML
Development Tool	- android studio
Back End	- Java
Database	- Firebase

### Hardware Requirements:

Name of the Processor-	intel core processor
Hard Disk Capacity	- minimum 3GB
RAM Capacity	- 4G
