### **EVENT SUMMARY :**

This pandemic situation has put us in a problematic phase to deal with. Slums in Hyderabad are struggling with a major crisis due to the current situation. They aren't able to get proper income for their daily groceries. After the survey conducted by Chief Executive Board, we at Street Cause GNITS have come together and took an initiative to help people living in the slums. We adopted 12 families in the slums. We have been providing them with monthly groceries for three months since September. This is the last phase of Slum Adoption Project as the covid situation and financial situation of slums is getting better.
