TASK VENUE : Telangana Primary School, Nalgonda

EVENT SUMMARY :

Personality Development is a major time saver. The better you become, the less time it takes to achieve your goals.

We held a Personality Development Program for the students of Telangana Primary School located in Nalgonda district. Since it's a remote village, the students here were not acquainted with social skills and other aspects of personality development. We presented a PPT by interacting with them and inculcated basic social skills and educated them on the whys and hows of developing their personality. This program played a vital role in shaping their future.

Number of students participated : 10

NO. OF PEOPLE BENEFITED : 90
