**TASK VENUE** : Vivekananda Seva Sangham, Miyapur

### **EVENT SUMMARY :**

We held a Personality Development Program for the children of Vivekananda Seva Sangham by interacting with them. As part of the program, few basic social skills were also inculcated with a motive to develop their personality as a whole. The program proved to play a vital role in shaping their future.

Republic Day celebration was also executed simultaneously. The children performed various acts showing their love and pride towards the country.

### **ORGANIC GARDENING :**

Organic seeds were handed to the children to instill cognizance on the benefits of organic gardening. The children present at the venue sowed the seeds and were made to understand the benefits of growing vegetables without the intrusion of chemicals. By doing so, we were able to inculcate environmental responsibility in them as well.
