9. Rate the experiment list in stimulating the interest of students in the project.

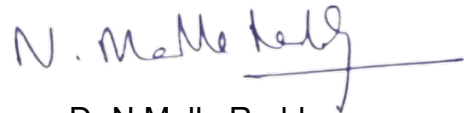

10. Rate the contribution of the courses in terms of professional core area.

Comments from Faculty:

1. Some subjects in M.Tech need a change or revision of syllabus
2. Practical's and Theory are to be planned in different semesters
3. Few more field oriented courses desirable to gain practical knowledge. Internship in core companies to be made compulsory may be of 2 weeks' duration.
4. Recent trending experiments should be conducted in the Labs to bridge the gaps between academics and industry
5. Syllabus Should be framed towards industry requirements
6. Need to improve according to industry requirements
