**REPORT**

**TRAIN THE TRAINERS PROGRAMME(TTT)**

**Date :** 4/01/21 to 8/01/21

**Venue :** Zoom

**Organised by :** Telangana Police - Women Safety Wing.

**Faculty Coordinators :** Dr.MVL Surya Kumari , PD  
Mrs. T. Aparna , Asst Prof , IT Dept

The Telangana Police Women Safety Wing has taken up an initiative to create awareness about Women Safety and the measures to be taken for Women Protection. It has initiated a program called the "Train the Trainer". This program aims at educating the college students about women protection and safety and making them trainers so that they can take up the responsibility of propagating the same knowledge to other students within and outside the college.

30 students were selected for the program from various departments. They attended the webinars on Zoom and were certified as Trainers by Telangana Police. The sessions were organised by Three NGOs namely "Youth For Seva", "Live Life Foundation" and "Save the Child" Foundation.

The representative for "Youth for Seva", Mrs K Arunmayee spoke to us about the newly formed women safety cell and the various systems such as "Bharosa", "She Teams" and "Hawkeye" which are working together towards the safety of women. The information about them is as follows :

**BHAROSA**

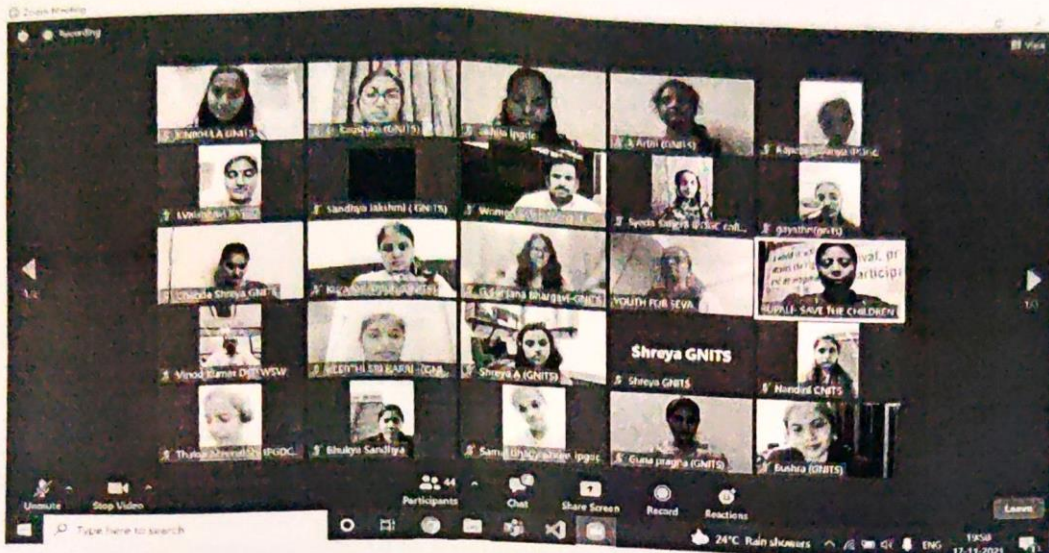

"The Bharosa centre" acts as a shelter for women who have been subjected to abuse and provides all around assistance for them including a team of psychologists, nurses, advocates, police and medical professionals to help victims deal with their trauma.

**SHE TEAMS**

"She teams" puts a check on sexual harassment, cases like eve teasing, harassing through phone calls on the social platform.

- It ensures immediate police support to curb various crimes on women and counsils the criminals and takes them to the path of becoming a responsible citizen.

- It also started she shuttles in the IT corridors to provide safe transport.
- They create awareness among women regarding their rights and encourages us to spread awareness among our fellow mates.

### **HAWKEYE -EMPOWERING WOMEN TO BE CITIZEN POLICE**

As a part of citizen friendly and responsible policing, Hyderabad city Police marched ahead by launching a mobile application titled, "Hawkeye" to empower common man to transform into a citizen police.

Honourable DSP Mr. Vinod Kumar sir strongly recommended and encouraged us to download the app and made us spread word about it to our own peers, family and well-wishers. This app consists of a SOS button for accessing help in emergencies. It also gives us an access to all contact numbers at one place.
