Dear Prof. Shymala,

As discussed, I can travel on 7th July and conduct the workshop on the 8th. We can start early around 9:30 and finish by 5:30, after which I can start back to Mumbai.

We can plan together for the workshop. As discussed, please create a worksheet having the 4 slots of the day, and start adding the topics which need to be covered. Also try and add the names of the faculty members who have completed the FDPs of IIT Bombay.

Let me know when we can start interacting about the same.

Regards

-Sameer
