G. Narayanaamma Institute of Technology & Science, a leading Engineering College for women, established in 1997, with an objective of providing excellent learning facilities for women to pursue education in Engineering since two decades. The aim is to promote technical education among women to enhance and build-up a new generation of thinkers, innovators and planners in the realms of science and technology. GNITS received UGC autonomous status for 10 years from 2018 and is affiliated to Jawaharlal Nehru Technological University (JNTU-H), Hyderabad. It is approved by All India Council for Technical Education (AICTE), accredited by NAAC & NBA (AICTE) and ISO 9001:2015 Certified Institution.

It is today considered as one of the best engineering colleges in Hyderabad providing excellent placements and nurturing young women as technocrats and innovators. MAC Lab was sponsored and inaugurated by Mr Tim Cook, CEO of M's APPLE Inc. in 2016 which enabled GNITS to secure a unique place among all other Engineering Colleges in South India. The college established various research centers to cater to the needs of research activities of faculty and students. College has institutional membership with various professional bodies like ISTE, IIT, CSI, IEEE and IETE.

Various recognitions for the college definitely confirm the quality maintained. "AICTE Internshala Award" by AICTE in August, 2018. GNITS - NPTEL Local Chapter Secured 47th Rank with 'AA' Rating "National Employability Award" 3 times in a row for being among top colleges in the State from AMCAT from 2017 to 2019. "Best Performance in Placements Award" in Undergrad Summit 2018 organized by Stumag, "Educational Leadership Award" by Dewang Mehta National Educational Award by IPE - 2017. "Best Engineering College Award" by ISTE, 2007. Won "First Prize of 17 lakhs in Aegion International 24 Hours Health and Wealth Hackathon" in Sep 2018. Secured "Overall Championship" under south zone in sports every year.

ABOUT IQAC:

GNITS has established Internal Quality Assurance Cell (IQAC) in order to ensure quality sustenance and enhancement in both faculty and students. IQAC involves in several mechanisms such as ensuring timely, efficient and progressive performance in academic, administrative and financial tasks, the relevance and quality of academic and research programs, equitable access and affordability of academic programs to suit to various sections of the society, optimization and integration of modern methods of teaching and learning, the credibility of evaluation procedure,

employment and research support structure and so on. The IQAC, along with other institutional bodies, formulates strategies for continuous improvement and are taken periodically and effectively to the academic excellence.

IQAC mainly function on Development and application of quality benchmarks parameters for the various academic and administrative activities of the institution. Dissemination of information on the various quality parameters of higher education. Organization of workshops, seminars on quality related themes and promotion of quality circles. Preparation on the Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters. It acts as a channel to implement innovative changes to meet the vision of academic excellence and stimulate the academic environment for promotion of quality of teaching-learning and research.

Eligibility:

Senior Faculty, Administrative Officers, College Principals, IQAC Coordinators etc are eligible to apply.

ABOUT WORKSHOP:

In recent years, there is a lot of technical advancements in higher education with an emphasis on quality teaching-learning. NAAC has framed benchmarks for quality education in higher educational Institutes. In this scenario it is mandatory for all institutes to strive for quality enhancement. It is mandatory for all institutes to be NAAC accredited.

Quality improvement in education system is mainly related to teaching, evaluation techniques, results and placements of the institution. The new dimensions of "Quality Measure" as proposed by the NAAC involve continuous process of assessment of HEIs. The stakeholders in higher education play a vital role in the assessment process of the institution. Several governmental bodies like University Grants Commission and National Assessment and Accreditation Council (NAAC) established as an autonomous body with the objectives of assessment of the Higher Education Institutions in the country assesses and accredits HEIs by studying and analyzing various parameters towards the quality measures.

The aim of conducting this awareness program is to acquaint the colleges about the new NAAC Procedures and benefits of acquiring accreditation. The contents are designed to create awareness among participants on seven assessment criteria newly framed by NAAC for quality improvement.

OBJECTIVES OF WORKSHOP

- 1) To understand various initiatives taken by the Government of India for quality assurance in higher education.
- 2) To create awareness in the faculty about the NAAC accreditation process and assessment of quality parameters.
- 3) To encourage self-evaluation and innovation in higher education.
- 4) To strive for centre of Excellence.
- 5) To get funding from government and other funding agencies.

OUTCOMES OF THE WORKSHOP:

1. The participants shall be able to understand the latest NAAC Accreditation process and Assessment of NAAC.
2. The participants know various initiatives taken by the government of India for quality assurance in technical education.
3. The faculty will get awareness on various funding agencies and the process of applying for funding from eminent resource persons.
4. The faculty get knowledge on the role of IQAC in maintaining quality standards in Teaching, learning and evaluation.

Resource Persons:

Resource Persons are drawn from UGC, NITs, NAAC, Bangalore and Central Universities.

How to apply:

Interested persons may apply in the prescribed format along with the Registration fee. Payments should be made through a Demand Draft drawn in favor of "The Principal, G. Narayanaamma Inst. of Technology & Science for Women" payable at Hyderabad or by cash at the time of registration. The registration form can be downloaded from www.gnits.ac.in. The duly filled registration form along with scanned copy of the DD has to be sent to naacworkshop2019@gmail.com on or before 16th September '2019. The DD must also be submitted at GNITS during registration. The participants are advised to register well in advance of the scheduled dates.

Accommodation:

Working lunch and snacks will be provided. Participants and limited accommodation would be provided free of cost to the lady faculty.
