4. Considering this session and its conduct, would you rate this session as:
   Excellent:15   Very Good:6   Good:0   Satisfactory:0   Poor:0
5. What in your opinion was the major highlight or strength of this session which contributed most to its success/effectiveness?
   Effectiveness, very impressive with relevant examples, Various Teaching Methods,present teaching methodology,Techniques to attract student's attention in class, Innovative Teaching ideas.
6. Give SUGGESTIONS by which you think the usefulness of this session can be improved.
   Conduction for more than one day might be better,Expecting more Examples, Brain storming practices, simulation, games which are rick-free, key words, milly and case study should be implemented for the overall development.

Feedback Observations

1. All sessions were very relevant and discussion was encouraged.
2. Time duration was not satisfied it was like a crash course.

Deficiencies Identified

1. Need more use cases to newly appointed teachers in classroom management, instructions to students.

Remedial Actions Proposed

1. Participative methods of teaching and on the job training of new teachers must be introduced.
2. Newly appointed teachers must be observed by experts in teaching methodology during their classroom sessions and valuable inputs must be given by experts.
