

**G. Narayanamma Institute of Technology and  
Science (for Women) Shaikpet, Hyderabad.**

**Name of the Cell : FDP**

**Academic Year : 2017-2018**

**Name of the Program:** Faculty Development Programme (FDP) on "Faculty Roles and Responsibilities in Student Development"

**Dates:** 27-6-2017 and 28-6-2017.

**Report of Faculty Development Programme on**

**" Faculty Roles and Responsibilities in Student Development"**

A two day Faculty Development Programme on '**Faculty Roles and Responsibilities in Student Development**' on 27<sup>th</sup> and 28<sup>th</sup> June 2017 by **Prof. M.L.SAI KUMAR**, former Dean-Academics of IPE in G. Narayanamma Institute of Technology and Science (for Women), Shaikpet, Hyderabad – 500008. A total of 48 participants from various Engineering Departments have attendend the program.It was aimed to improve the teaching methods of faculty.

On the first day,Professor has focused on **Analysis of Engineering Education**,giving details on why engineering colleges are not performing up to the mark and the role of teachers to improve the situation to impart knowledge to students.

Professor has demonstrated methods of working in groups.There was a task on arranging guest lecture where all of us worked in groups. Ideas from different groups were segregated and presented by team leaders after number of iterations.he also focused on the strategies to **improve the student' s attendance**.

Second day he focused on the characteristics of **Good to Great teacher**.He taught about 8R's,5 S's,5E's,3 P's,3 D's and many more which are very much essential for transforming good to great teacher.Excercise on dress code has brought insight of dressing sense and impact that it has on students.In the afternoon session under **Effective classroom management instructional strategies**
