Dear Dr. Prabavati,

Greetings from TCS!

We are happy to inform you that we will be conducting a **Value Added Course on Blockchain Technology** with Hands on for 5 Days (10:00 AM to 12:30 PM) from 05-Jul-21 to 09-Jul-21. Please find attached the details of the topics which will be covered.

Ms. Ankita Bhagoliwal is the resource person who will be delivering this course. You can reach her at 8871709505. I have copied Ankita on this email.

Please let us know who will be the coordinator from your side, so that Ankita and the coordinator can discuss the details of the sessions, timing, duration and the platform which will be used for conducting the sessions.

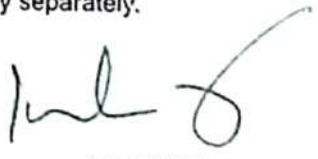

As there is no limitations on the Digital Platform please extend this opportunity to Faculty & Students from other colleges who are keen.

Certificates will be given to the Faculty who have participated in all the sessions.

Please share the feedback for the sessions at the end of the program for Students & Faculty separately.

Best Regards

Dear Sir,

TCS has conducted the "Value added course on Blockchain Technology" by their in-house subject expert Ankita Bhagoliwal, for GPREC from April 19-23 (Monday through Friday), a five day course with 2 hours duration on all the days. Students and faculty joined and benefitted from the course to a great extent. Mr. Richard King, Academic Relationship Manager, TCS is willing to offer the same course now to GNITS students and faculty. Please let me know if you are interested in the free course and also suggest the week and the timings for the same. For reference about the topics covered, I am sharing as the trailing mail about the session they conducted for GPREC earlier. The mail also contains the profile of the trainer.
