2. Rate the sufficiency of the syllabus content to bridge the gap between academia and industry.

3. Rate the curriculum in relation to your current professional standards.

4. Rate the skills acquired from the curriculum to face the Industry challenges/requirements.

5. Rate the institute's laboratory and equipment adequateness for practical expose.

6. Rate the offering of electives in relation to technology advancements.

7. Rate the design of the courses in terms of extra learning or self-learning.

8. Rate the training and placement cell in getting ample placement opportunities.

9. Rate the competence and support offered by the teachers.

10. Rate the institute's support and contribution for the overall development of students.

Comments from Alumni:

1. Please reduce the student's intake in each class/course, so that student-teacher ratio is fair but not overloaded like now.
2. Needed campus recruitment training from II Year.
3. Implementation of industry oriented curriculum might be helpful.
4. There should be an industrial visit for the students.
5. The provision for more internships should be increased for third and final year students.
