CIRCULAR

All the first year B.Tech students are hereby informed that M/s Talent Sprint with Google support is conducting Cohort 5 of Women Engineers (WE) Program. WE is a **2-year** gender inclusion program that selects and nurtures deserving **first-year women engineering students** to become world-class software engineers. The program has trained and empowered over 500 women engineers across India in the last 3 batches. It is now aiming to train **250** passionate and aspiring women engineers in the upcoming batch. It is now aiming to train 200 passionate aspiring women engineers in the upcoming cohort.

As a participant of WE, the students will

- Receive mentorship from engineers and technology leaders at Google
- Learn from experts at TalentSprint
- Work on real-life projects
- Get a **100% Fee Scholarship**
- Receive a **Cash Scholarship of ₹1,00,000/-**
- Participate in global coding hackathons
- Have access to internship and career opportunities with leading organizations

BATCH 5

Program by **NSE talent sprint** Supported by **Google**

- 200 Students
- 100% Fee Scholarship
- ₹1,00,000 Rewarding Cash Scholarship

Dear Candidate,

After the success of the last 4 cohorts, we are happy to announce Cohort 5 of the **Women Engineers (WE) Program**, by TalentSprint and supported by Google.

WE is a 2-year immersive and LIVE online learning experiential program that selects and nurtures deserving first-year women engineering students to become world-class software engineers.

The program has attracted **78,000 applications** in the last 4 cohorts, out of which only the top 1% i.e **730+ students** made it to the program. Out of these, 34% of the students were first-generation graduates and 25% of them came from rural India.

It is now aiming to train 200 passionate aspiring women engineers in the upcoming cohort.

As a participant of WE, your women students will

- > Learn from experts at TalentSprint
- > Work on real-life projects
- > Receive mentorship from Google tech leaders
- > Participate in global coding hackathons
- > Access to premium tech career with top product companies
- > Get a **100% fee scholarship**
- > Receive a rewarding cash scholarship of **₹1,00,000/-**

WE graduates attract offers from top global companies

150% Higher Compensation* 54L Top Salary

*over market median
