Dear Harshitha Krishna Revanuru,

I am delighted to let you know that you have been accepted into the Master of Information Technology Analytics (MITA) program at the Rutgers Business School for the Fall 2018 term. We hope that you will join us for what promises to be an exciting and challenging program. We make a special effort to ensure that your time with us is as successful as possible.

We will need your decision by April 30th. If you accept our offer of admission, you will also be required to pay a \$1,500 non-refundable tuition deposit.

If you are an international student, you will also have to submit a copy of your passport; an official bank statement and the International Student Financial Statement in order to receive an I-20 and admissions package. Please click on the [International Student Financial Statement](#) link to download the official form. Your admissions package will include your I-20 Form. These can be submitted by email to mit@business.rutgers.edu.

If we do not receive a confirmation of acceptance by April 30th, we shall assume that you have declined our offer which will accordingly be withdrawn.

Sincerely,

Vijay Atluri, PhD
Professor of Information Systems and
Director, Master of Information Technology Program
