**INVITATION LETTER**

Your studies at Karlsruhe University of Applied Sciences –  
M.Sc. Sensor Systems Technology  
Gundu, Sushrutha; Indien; dob 15.09.1996

Dear applicant,

As you fulfil the application requirements (recognized first academic degree with above-average final grade corresponding to a German bachelor, evaluation of achievements in master's studies by the partner university resulting in high ranking number, English language proficiency) we are happy to confirm that you have been accepted as a double degree student on the

English-language Master's Degree Program in Sensor Systems Technology  
at Karlsruhe University of Applied Sciences  
from summer semester 2019 onward.

Your compulsory German language course will start in March 2019; the lectures will start on 18 March 2019. Therefore, please arrange for a valid residence permit visa for study purposes, as well as proof of health insurance for the whole duration of your stay. Note that in order to guarantee a smooth registration process, including the issuing of a Campus Card, we strongly advise you to arrive at the latest one week before the lectures start.

Please start your visa application as soon as possible because the procedure will take about eight weeks minimum.

Details regarding the German language course and the registration procedure will be sent to you in due course. Please confirm the acceptance of the study place no later than 10 January 2019 (e-mail: lea.scholz@hs-karlsruhe.de).

Yours sincerely,

*J. V. S. Lembach*
