Dear Latha Madhuri,

Congratulations! Upon the recommendation of the faculty, it is my pleasure to inform you of your conditionally classified admission offer to the **Electrical & Electronic Engineering (MS)** program at California State University, Sacramento for Spring 2021, which begins January 25, 2021. Please review the following conditions attached to your admission offer:

1. Must obtain a 3.0 (or higher) GPA with grade of "B" or better in all graded classes and grade of "CR" in all credit/no credit classes taken in the first semester (Fall 2020).
2. Must maintain a 3.0 GPA every semester and a 3.0 cumulative GPA through completion of the program.
3. Adhere to the university's no "C" grade policy (please see your Graduate Coordinator for your program's specific requirement).
4. Must meet with your Graduate Coordinator two times a semester in the first Academic Year (Fall 2020 and Spring 2021) to assess progress and to provide access to academic resources if needed.

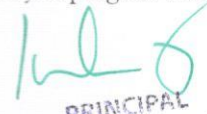

All newly admitted Sacramento State students are required to attend the International New Student Orientation. New student check-in dates are January 19th or 20th. Orientation will be held on Thursday, January 21st. For pre-arrival information on how to obtain your student visa, health insurance enrollment, and campus information, please visit our admitted student page at: <https://www.csus.edu/international-programs-global-engagement/international-student-scholar-services/>. Your graduate status depends upon maintaining good standing with the University and making satisfactory progress toward your degree. The requirements for achieving these standards are outlined in the University Online Catalog under the Graduate Studies section as well as under the section describing your specific degree program. Please read these sections carefully so that you meet all requirements in a timely manner.

The following official documents are missing from your record in order to complete it: Final official transcripts, semester mark sheets, and degree certificate from JNTU. You may bring official documents in a sealed envelope when returning on campus in Spring 2021.

If you have additional questions concerning your admission offer, please contact International Admissions via email at intlinfo@csus.edu. Questions regarding your graduate program curriculum and course selection should be directed to the graduate program coordinator, Dr. Kumar (kumarp@ecs.csus.edu). On behalf of the University, I congratulate you on your admission and wish you success as you progress through your degree program.

Sincerely,

Dean of Graduate Studies
