Dr. R. David Koilpillai
Qualcomm Institute Chair Professor
Head, Dept. of Electrical Engineering

No. EE/MS/EE21S049/JULY 2021

Date: 07 July 2021

Dear C Sneha Sree,

Sub: Admission to the MS Programme at IIT Madras: July 2021

Congratulations!

I am pleased to inform you that you have been offered provisional-admission to the MS programme in the Department of Electrical Engineering at IIT Madras under the Project scheme.

I thank you for participating in our online interview process. This year's applicant pool was exceptional, and our admission committee was impressed by your performance. You will join a community of innovative, smart, and enterprising students, faculty, and alumni who are making significant contributions to our society. Our department is home to a large research community with 70 faculty, 200 Ph.D. scholars, and 100 M.S. scholars. Their areas of research in EE can be found at <http://www.ee.iitm.ac.in/research/>.

Due to travel restrictions during the ongoing COVID-19 pandemic, you are currently granted **provisional-admission** status. As part of this status, you have been allotted the roll number **EE21S049**. This will enable you to access the world-class facilities that are enjoyed by the student community at IIT Madras, including library collections, computer centre facilities, and software licenses.

Please convey your acceptance of this offer on or before **14 July 2021** by completing the formalities and paying the tuition fees. The terms of the provisional-admission, formalities to be completed, and procedures for fee payment can be found on the second page of this letter. If you need any clarifications, please use the FAQ and query links provided on the following page.

The **provisional admission** will be automatically upgraded to **formal admission** once the situation normalizes, and the campus reopens in residential mode. This is subject to the verification of the originals of the documents relating to your eligibility, payment of fee, and completion of the registration formalities on the date of admission.

An orientation session will be organized by our department in the last week of July. Online classes for research scholars are expected to start from **2nd August 2021**. You will be informed about the courses appropriate to your area of research, registration procedures, and the conduct of online classes during the orientation session.

Once again, I welcome you to our department. I look forward to your being a part of the IIT Madras family.

Head of the Department
