Dear Naaga,

Thank you for your interest in joining the Fogelman College of Business and Economics master's degree program at the University of Memphis. I am pleased to forward my recommendation to the University of Memphis graduate school that you be accepted into the Master of Science - Information Systems program for the Fall 2022 semester.

I will be your advisor as you pursue your graduate degree in the BIT department. My office is located in the Graduate Programs Office, Fogelman College of Business and Economics Administration Building - 101. My phone number is 901-675-3442 and email is annayvrs@memphis.edu. The BIT department website is a great resource for news and information <http://www.memphis.edu/bit/index.php>.

The Office of Graduate Admissions will send you (via email and traditional mail) a 20-digit verification code (this code is in your acceptance letter). This typically takes 5 - 7 business days. If you have not received it within this time frame, please let me know. Once you receive your code, you will then be able to initialize your account and register. You will receive more information on how to register soon.
