Dear Shravani,

Congratulations! It is with great pleasure that I offer you admission to the Computer Science, MS program for the **Spring 2022 term** at Rochester Institute of Technology. Your admission is contingent on completing the requirements outlined on the RIT Graduate Admission Contingency form.

Your application and supporting documents detailing your accomplishments convinced the Admissions Committee that you have the scholarly aptitude to flourish in a diverse community of scholars, entrepreneurs and humanitarians. Admission to graduate study at RIT is a selective process; you should take pride in this attainment.

RIT is a university where brilliant minds assemble in service of innovative ideas and creative solutions. Among the nearly 4,000 colleges and universities in the U.S., **RIT ranks in the top 4 percent** for selectivity and is considered a "best value" university according to *U.S. News & World Report*. We invite you to accept our offer and avail yourself of the rich academic resources available to you.

To accept our offer of admission and complete the enrollment process, please complete the online Reply to Offer of Admission form by Dec 15, 2021, which can be found on your Application Status page at join.rit.edu/account/login. After accepting our offer of admission, please pay the \$500.00 Advance Tuition Deposit by Dec 15, 2021. This reserves your place in the program, allows you to apply for campus housing and access online resources. Your academic department will provide you with registration procedures and course schedules.

If any questions arise, please check our website, rit.edu/admissions/graduate/accepted-students, contact us at gradinfo@rit.edu, or call us at 585-475-2229. From this point on, we will send you a series of emails containing important information about your admission to RIT. Be sure to add gradinfo@rit.edu to your approved sender list.

Again, congratulations, I am thrilled to welcome you to RIT.

Sincerely,

Diane Ellison, Ed.D.
