Dear **Lakshmi Sravya Chalapati**:

Columbian College of Arts and Sciences is pleased to admit you to the M.S. program in the field of Data Science effective for the **Fall 2022** semester.

We have reviewed your background and credentials and believe that your interests fit well with our school's research programs and scholarly goals. Our graduate programs in the arts and sciences have grown even more competitive in recent years and your admission is a tribute to your many achievements. Congratulations!

Our diverse student body, highly respected faculty, and extensive research facilities combine to create a challenging and vibrant academic community. Additionally, our ideal location in the nation's capital makes us uniquely positioned to offer our student body many cultural, educational, and professional opportunities. You may access your digital admissions pack with important information about becoming a graduate student [here](#).

You have been selected to receive an award of merit-based financial assistance. Details will be sent shortly by email to the address you provided on your application.

This offer of admission is contingent on submission of the following, which must be received in our office prior to the start of the semester:

Official transcripts from all universities or colleges attended.  
Official transcript showing conferral of your Bachelor's degree.

In order to have your I-20 approved, you will need to submit a **Visa Request Form** for the 2022-23 academic year and financial documents showing proof of support for all years required to complete the program. Because the issuance of student visas is often a time-consuming process, please return these documents via email to [askccas@gwu.edu](mailto:askccas@gwu.edu) by April 15, 2022. For forms and information, please see: <https://columbian.gwu.edu/international-graduate-applicants>

If you have any questions please contact this office at [askccas@gwu.edu](mailto:askccas@gwu.edu) or your Program Director. Contact details for your Program Director can be found on the CCAS [website](#).

As you consider this offer of admission, you are welcome to visit campus, meet with current students, and/or chat with alumni.

We are pleased to offer you this opportunity, and look forward to your joining our scholarly community.

Sincerely,

Chad Heap  
Associate Dean for Graduate Studies  
Columbian College of Arts and Sciences
