Dear Theeksha,

Congratulations! Thank you for applying through the Graduate Direct process. I am pleased to inform you that you have been admitted as a student to the Master of Science in Business Analytics program at the University of Illinois Chicago (UIC) beginning in the Fall 2022 term.

The Graduate College requires that each degree student work with a department advisor in selecting courses. Details on advising will be communicated to you upon arrival.

Along with this letter you will receive information on next steps: your immigration document and instructions, health insurance and the academic calendar, among other useful informational pieces. In addition, read about your housing and meal options, how to arrange for airport pick-up and the upcoming orientation program that you will attend. Please also prepare your official transcripts for presentation upon arrival.

UIC Global offers a variety of support services for international students designed to help you prepare for your arrival and acclimate to your new life on campus. Student support services include visa interview preparation, assistance with your year-one course selection, advising and pre-arrival support. You will have access to signature student experiences including airport pick-up, cultural events and career and internship preparation. All students participate in student orientation, and our dedicated advisors are available to assist you with flexible course selection and registration.

As you continue to move forward with the next phase in your educational career, we are here to help you and to answer any questions you may have about The University of Illinois Chicago. Please contact [admissions@uicglobal.org](mailto:admissions@uicglobal.org).

Again, congratulations! We look forward to providing you with an outstanding education.

Sincerely,

*Karen J. Colley*
