Dear Thanmayee,

Congratulations! The Office of Graduate Studies and the Office of Admissions joins me in the most rewarding part of our job - informing you that you have been selected for **Graduate Acceptance**, admissions effective **Spring 2023**, to pursue a degree in **Computer Information Systems**.

Your admission is based on the strongest recommendation of the faculty and Dean of the College. As a master's candidate, you will be a participant in an academic community wealthy in intellectual and personal talents of every kind, dating back to 1876. You were not only chosen for what we believe you can contribute to our academic community but for what you will gain from the wonderful opportunities that distinguish and define a Prairie View A&M education!

Please visit PVPlace (your student portal to check registration status, view grades, add or drop a class, and much more) at <https://www.pvamu.edu/pvplace>. You will first need to set up your Student E-Mail Account to gain access.
