Dear Kumudini,

Congratulations! I am pleased to inform you that you have been accepted into the Electrical Engineering MS - Spring 2023 program at The University of Texas at El Paso (UTEP). Your application clearly demonstrated that you have the academic background and skills needed to excel as a graduate student at UTEP.

Your UTEP student ID number is 80784327.

Information regarding your program, class schedules, and registration may be found on the Graduate School's website . Refer to the New Student Guide to navigate your way through UTEP. If you are an international student, please contact the Office of International Programs at oiip@utep.edu to request the preparation of your I-20 (F-1 visa) or DS -2019 (J-1 visa). As per the Department of Homeland Security, you may not attend classes without completing your immigration registration.

For program-specific questions and advising, please contact your Graduate Advisor/Director, which can be found [here](#) . Scroll down to the search bar and enter your program name or sort by the college. The contact listed for your program will be your Graduate Advisor/Director.

Click on the "Respond" button above to notify the program of your intent to attend. The program will then contact you and provide useful information. If you have further questions, contact the Graduate School at (915) 747-5491 or gradschooladmissions@utep.edu.

Best wishes for success in your graduate studies and welcome to UTEP.

Sincerely,

A handwritten signature in black ink that reads "SL Crites Jr".
