on "CareerMap"

Abstract:

The CareerMap Website is an online platform designed to provide comprehensive career guidance and support to students who are in the process of exploring their career options and planning their future careers. The website aims to empower students with the knowledge, resources they need, to make informed career decisions and set a solid foundation for their future professional success. The key features of the CareerMap Website include: Career Exploration, Career Assessment, Career Planning, Study Pathways. The CareerMap Website aims to be a comprehensive resource for students seeking career guidance and support. By providing relevant information and resources in an easy-to-navigate format, the website aims to empower students to make informed career decisions and embark on a successful career path.
