### DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

<GN-R-18> (2022 - 2023) II B.Tech II Sem Hobby Project on

“ Resume Builder Web App”

#### Abstract:

Creating a resume is a bit tedious task for any working professional from any industry , One has to keep it short , simple, and with the latest work experience, and constantly update it over a while.

This web app provide an easy way of creating professional looking resume. User just have to fill up a form that specifies question from all required fields. There are also suggestion points in every fields for user to give professional hints. The system automatically generates a well structured resume and user can download or print their resume. Users have option to choose any type of resume template.

#### H/W Requirements:
