

GNITS	ETE/CIR/09
CIRCULAR	DEPARTMENT: ETE
To: The HOD ETE- with a request to circulate among the students	Date: 06/05/2023

### CIRCULAR

This is to inform that the department of Electronics and Telematics Engineering is organizing a 3 day "Hands-on workshop on Machine Learning". This workshop will help students to gain the knowledge on emerging technical areas of Machine Learning. It will also assist them to do research work in those areas. Students of ETE departments are eligible to register to this workshop.
