KIND ATTENTION TO THE PARENTS & STUDENTS

Candidates seeking admission to B.Tech courses under Convenor Quota (Category A) and Management Quota (Category B) in the academic year 2023-24 and who opt for ECE, EEE and ETE (Major Degree) can also pursue Minor Degree in Artificial Intelligence and Machine Learning (AIML), Data Science (DS), Cyber Security (CS) and Internet of Things (IoT) from III year I Semester along with their Major Degree to secure both Major and Minor degrees. For this the candidate has to obtain 160 credits in Major Degree and 18 to 20 credits in Minor Degree in the four years of undergraduate study. For example, a candidate who has joined Electronics & Communication Engineering (ECE) undergraduate course can obtain Major Degree in ECE and Minor Degree in AIML/DS/CS/IoT. **- Vice Chairperson**
