

Entrepreneurship Development Cell (EDC)

Report on “Student Startup” held on 29/10/2021

Date: 06/11/2021

Venue: Admin Seminar Hall

ED Cell GNITS in association with EdVenture Park is organized online session on “Student Startups” on 29/10/2021 from 3.00 pm to 4.00 pm in Admin seminar hall, GNITS. This is an informative session to provide an opportunity for the students who are interested in entrepreneurship, brimming with crazy startup ideas and are looking forward to start their own companies. EdVentur Park is a student focused business incubator which empowers early stage startups to revenue generating business. All the interested students of B.Tech II, III & IV year are allowed to attend the session and total 265 student attended this session.

The speaker Mr. Meraj Faheem, covered some exciting topics related to startups with examples and few budding entrepreneurs shared their experience and challenges faced during the beginning of startup.

The students who attended the event gained the knowledge of startup, pro and cons of starting enterprise, challenges faced by budding entrepreneurs and how to address such problems. The feedback received from participants is analyzed and received very good response from maximum participants. Last year also we also we conducted similar event, but it was online, as this event is offline mode, students had full freedom to exchange their view with speakers in effective way.
