Creating Self Employment in women through Candle Making

Date of program: April 17th, 2019

No. of people benefited/students participated: 50

No. of Student Volunteers from GNITS:30

About the Program: Skilled India is a great initiative taken by our honourable PM Mr Modi. "If 125 crore skilled people work together, India will move forward by 125 crore steps." Following this, we decided to conduct a skill enhancement session for women in Warangal. This session included information on how to make candles. Since minimum income is required for a woman to look after her family and their basic needs, we at SC-GNITS helped in boosting entrepreneurship among women in Warangal. We hope that these 50 women will help India to move forward by 500 steps.

Total amount contributed by the students: Candle moulders: 212/-

Paraffin wax and wicks: 740/-

Total: 952/-

Overall Feedback: Women in Warangal were educated on Candle making thus opening up a whole lot of possibilities of Self Employment for them.

2018-2019

Threads of tradition, woven into every masterpiece- Organised for Weaver's community

Date of the Program: 18/8/2018

Number of Participants: 1918

About the program:

The National Handloom Day celebration has been initiated by the G.Narayanamma Institute of Technology and Science (GNITS) in 2018. The event is celebrated on the 7th of August every year to raise awareness about the rich cultural heritage of handloom textiles in India and promote the use of handcrafted fabrics. The occasion is organized by the students and faculty of the college.

The celebration was a resounding success, with students and faculty from all over the college participating. GNITS National Handloom Day celebration is a great way to learn about the rich cultural heritage of handloom textiles and to support the work of handloom weavers.
