GNITS EK BHARAT SHRESHTHA BHARAT CLUB.

Nodal Officer: Dr.M.V.L. Surya Kumari, Physical Directress.

GNITS' Ek Bharat Shreshtha Bharat club based on Sardhar Vallabai Patel's dream of 'one India' formed in the month of November 2019 with 20 enthusiastic students and 8 teachers as its members. The main objective of EBSB initiative is to inculcate the understanding of oneness in spite of cultural diversity.

The GNITS EBSB club aims to undertake various activities in the days to come include: Discussions on health care, various social issues pertaining to drug use and psychological disorders in youth, suicidal tendencies, conservation of biodiversity, gender equality; sessions on mediation and motivational speeches and activities like cultural programmes, food festivals, traditional practices and customs so on and so forth.

EK BHARAT SHRESHTHA BHARAT – Student Exchange Program 09-01-2020 to 18-01-2020

The programme, Ek Bharat Shreshtha Bharat based on Sardhar Vallabai Patel's dream of 'One India', was announced by honorable Prime Minister, Narendra Modi on 31st of October 2015 on the occasion of Patel's birth anniversary to reinforce the concept of "Unity in Diversity" and national integration. The programme blessed all of us with incredible opportunity to celebrate a sense of nationhood and more importantly, the feeling of oneness by giving us firsthand information and hands on experience of our rich heritage and culture through this cultural and social exchange initiative across the states.

The Ministry of Human Resource Development (MHRD) which is the nodal agency for this initiative paired our college, G. Naryanamma Institute of Technology and Science (GNITS), Hyderabad, Telangana with Guru Gobind Singh College of Pharmacy(GGSCOP), Yamuna Nagar, Haryana.

8 teachers along with 20 students of GNITS of various engineering departments, set out on an adventurous journey to Yamuna Nagar on 9th January, 2020 from Secunderabad station. As per the agenda of the visit we visited the local markets, a nearby village, Kurukshetra town renowned for its history and its museums, interacted with the students and staff of the college and took part in their festival and cultural celebrations. The hospitality that we received throughout the programme (EBSB) was extremely commendable. All of us could feel the unconditional love of the entire college including the cooks who served us amazing food during our entire stay. We returned back to Hyderabad on 18th January, 2020.

This programme has given us some of our most cherished memories and many insights into various aspects of Haryana including Food, Language, Culture, History, Sports, Tourism, Industries, Agriculture, Festivals and Education. We think it is worth mentioning that any amount of study about these aspects of Haryana would not have given us as much understanding as the Ek Bharat Shreshtha Bharat programme has provided. Our heartfelt thanks to all the people

DATE OF PROGRAM: January 19th, 2020

NUMBER OF PARTICIPANTS / STUDENTS BENEFITED: 44

STUDENT VOLUNTEERS PARTICIPATED FROM GNITS: 15

ABOUT THE PROGRAM:

Through our survey, we realised that the children in the orphanage are interested in improving their communication skills and overall personality.

In this (second) visit, we had a 1:1 and 1:3 interaction with the kids and trained them in public speaking and soft skills.

In our first visit, we have explained about various topics like basic moral values, important soft skills, effective communication and public speaking techniques through a PPT.

In the next visit, we shall conduct a JAM competition to assess the improvement.

Project ABHIVRITTI : Personality is a unique aspect of human character that differentiates all of us. A major part of the personality is soft skills: the sense of humour and timing, ability to listen, courage and honesty, capacity and empathy.

Through this project, we aim to strengthen children of this orphanage in their communication skills and help them in personality development.

ABOUT THE PROGRAM:

The Govt High School for blind girls is a residential blind school for girls from grade 1 to 10. The students are pretty enthusiastic and have set high goals despite their disabilities. Through our survey, we came to know that it has been many years since the inception of the school. They still use a single dictionary (Braille) for the entire school wherein they actually need one for each class. Further, the dictionary that is being used is in apathetic condition. So we, at Street Cause GNITS provided them with 7 Braille dictionaries, for we believe in strengthening the nation by giving quality education to the youth.

TOTAL AMOUNT CONTRIBUTED BY STUDENTS IS:

BUDGET SPLIT-UP:

Dictionaries : 7 * ₹2200 - ₹400 (Discount) = ₹15,000

Chocolates: ₹300

TOTAL BUDGET: = ₹15,300

OVERALL FEEDBACK: Donation of Braille dictionaries to Govt high school for blind girls to provide them educational support.

ABOUT THE PROGRAM:

"I listen, I forget; I see, I remember." Through our survey, we realised that one of the IT giants has donated a projector to the school but turns out that the school doesn't have a computer. So, we've decided to provide the school with a computer and a pull-down projector screen as a part of our project 'UJWAL' which would help the school in the establishment of smart class.

With this, the students will be able to watch videos of several lectures and clarify their doubts as visuals impact more in better understanding of the concepts. As a part of the event, we conducted a GK quiz for the fifth graders and demonstrated how Internet can be used to unlock the world of knowledge.

Project "UJWAL"— The eternal flame of Education is a one of its kind literacy drives taken up by Street Cause GNITS wherein we've extended our horizons and reached out to young minds in various districts of Telangana. We have executed 5 projects all with a permanent impact and aimed at making Education a more efficient and comfortable experience in the rural parts of the state, for we believe that an investment made in education is a investment made for a brighter future.

ABOUT THE PROGRAM:

Most of the youth of the area appears for TSSET, UGCET, IPS entrances, Bank Employment entrances etc. Since the preparation books are a tad bit expensive, they are unable to prepare to their full potential. We saw few case scenarios where they were unable to clear the cut-off by just 0.5 percentile. They said that they would have to travel all the way to Karimnagar just to borrow books and it wasn't feasible. So, we've provided the Mandal library with the updated examination preparatory material in both Telugu and English medium as per their requirement by asking the Librarian. A total of 45 books were given. We hope that it helps in employment generation in and around the Mandal. We also aimed at promoting literacy in all ages by boosting the volume of books in the library. We shall provide more books if and when required for the rest of the term. ABOUT THE PROGRAM:

MPUPS, Advi Masjid is a rural government school with bright and ambitious students. However, the first and second graders did not have proper furniture and had to sit on the floor which led to a lot of discomfort and distraction from academics. The school rooms are small and the benches wouldn't fit. So, we provided them with 4 tables and 36 Neelkamal kids chairs made of sturdy material that would last long and also easy to fit in the rooms. We also provided sports equipment to the school as they did not have any.

The kids were very enthusiastic to sit on the new, colourful chairs and to play various sports. We played with the kids for over two hours and spent quality time with them. The kids said that they would study well and when they grow up, they would give back to society as well. The energy and atmosphere were electric. All in all, it was a day filled with fun, sports, positive thoughts and smiles. It took us back to our school days.

DATE OF PROGRAM: September 28th, 2019

NUMBER OF PARTICIPANTS / STUDENTS BENEFITED : 12 Pregnant women and their families

STUDENT VOLUNTEERS PARTICIPATED FROM GNITS: 12

ABOUT THE PROGRAM:

Childbirth is a very important event in women's life. But complications during pregnancy and childbirth are a leading cause of death and disability among women of reproductive age in developing countries. Every day, approximately 800 women die from preventable causes related to pregnancy and childbirth.

At Street Cause GNITS, we believe that Women and Children Welfare is the key to the overall development of the world.

To achieve this goal, we have taken up *Project PARIVARTAN*, the adoption of an Anganwadi Centre that serves not only as a pre-primary school for children aged 2-5 but also as a Mahila Mandal for the new mothers and pregnant women alike. Currently, the Anganwadi consists of 30 children and 35 women out of which 12 are pregnant. We had started off by providing the little kids with basic infrastructure. Then, we established a stitching Centre at the Anganwadi to provide means of employment to the new mothers.

For the final task, we conducted an awareness program for the Pregnant Women at the Anganwadi Centre about the DOs and DON'Ts during pregnancy. A PPT was made and presented in Telugu. Videos were also shown. The presentation focused on the diet, exercise, medicinal supplements and the limits to the physical strain on the body.

Few simple YOGA asanas were demonstrated and there was a doubt clearing session as well.

AID: Laptop

OVERALL FEEDBACK: Empowerment of pregnant women and providing mental support to their families.

REPORT

DONATION OF FANS AND WATER PURIFIERS

DATE OF PROGRAM: July 15th, 2019

NUMBER OF PARTICIPANTS / STUDENTS BENEFITED: 100

STUDENT VOLUNTEERS PARTICIPATED FROM GNITS :15

ABOUT THE PROGRAM:

Friends Foundation is an orphanage with about 100 members. They provide a family like environment, education and healthy food to orphaned, abandoned, destitute children. However, the fans in the organisation were not working and there was no water purifier to ensure the quality of drinking water.

As a part of our RFC project, we provided them with two high -quality fans and a water purifier. The children were delighted to unwrap the boxes. We also interacted with them and had a great time. They put up a dance show. It was a fun-filled afternoon for them as well as us.

TOTAL AMOUNT CONTRIBUTED BY STUDENTS IS: ₹12,146.

BUDGET SPLIT:

Fans - ₹1248*2=₹2496

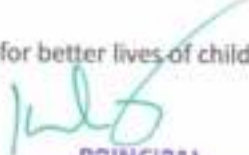

Water purifier - ₹8648

Transportation - ₹1002

OVERALL FEEDBACK:

Provision of fans and water purifiers to orphanages for better lives of children.
