DISTRIBUTION OF SANITARY PAD VENDING MACHINE

Date of program: July 5th, 2022

Number of participants/students benefited: 30

About the program:

S.

Some girls may feel embarrassed to ask for a napkin in common places, so we the team of Street Cause GNITS provided them with a vending machine where they can avail pads without any difficulties. The provision of sanitary napkin vending machine brings relief to women and girls during menstrual emergencies. It creates privacy space and independence to access the napkins and also, it aids in maintaining cleanliness, health and sanitation.

Total amount contributed by students is: Rs 7,500/-

Overall Feedback: Sanitary pad vending machine is provided to girls which aids in maintaining cleanliness, health and sanitation.

★ Provision of Cooking Appliances.

Date of program: April 18th, 2022

Number of participants/students benefitted: 25

Before

After

About the program:

In the underprivileged areas, where government supported schools provide education, the children tend to drop out due lack of food and hunger.

The ZPHS of javorpet village is lacking resources like basic cooking requirements due to which their staff and students are facing many difficulties. We provided them with basic cooking appliances so that they can cook comfortably.

Total amount contributed by students is: Rs 6,000/-

Overall Feedback: This provision of cooking appliances will not only satiate the hunger of children but also encourage many students to attend school.

Construction of Handwash and Running System.

Date of program: April 18th, 2022 ✓

Number of participants/students benefited: 10

About the program:

Cleanliness & good sanitation in schools is a matter of high importance as hygiene is two thirds of health. _ .

The ZPHS of Linghapur has no water supply in washrooms due to which the girls are not able to access the washrooms. The comfort room must be in a good condition with enough water supply as it is essential to keep the amenities clean and hygienic. To curb this situation, we provided them with Handwash and Running Water System.

Total amount contributed by students is: Rs 24,097/-

Overall Feedback: Construction of these washing stations with proper water supply has ensured added comfort and hygiene to the students thence preventing the spread of plethora unwanted diseases.

To,
The Organizer Blood Donation Camp,

Dear Sir,

Thanks for giving us an opportunity to conduct a Blood Donation camp.

Red Cross is one of the strongest advocates of voluntary non-remunerative donations.

It has vast experiences in donor recruitment and technical expertise in Blood Collecting, processing, storage and distribution.

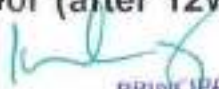

Red Cross aims to ensure safe and adequate blood support to community.

Blood is very precious so we have to plan, so that it is fully utilized. The blood collected has to be used within 32 days only and if not used it has to be discarded. In order to avoid wastage Red Cross has to plan the donation camps in advance, according to the stock position and need to the community particularly children with Thallasemia.

We need your full cooperation so that your precious blood is not wasted

We follow the following procedure for conducting the Blood Donation Camp.

- 1. Kindly Email details regarding the Name & Address, Land mark details , Telephone No, and email of your Organization Name.**
- 2. The Name of the Organizer and his Tel.Ph.No.**
- 3. Three (3) or Four(4) approximate dates**
- 4. For conducting the camp a Hall is required which is well ventilated with A.C or Coolers or Fans, Dustbins and water.**
- 5. Drinking Water and Toilet facility and few volunteers to help us.**
- 6. We will bring all the necessary Equipments for collecting and storing Blood Bags.**
- 7. We will supply a Frooty and Biscuits.**
- 8. An appreciation letter from the Governor (after 12weeks) will be given.**

The Red Cross Blood Banks after collecting the blood from voluntary donors carries out the following tests which are mandatory.

- HIV
- HBsAg
- HCV
- VDRL
- Malarial Parasites

The Blood has to be stored at 2-6°C in Refrigerator and coldroom till it is issued to the patients.

Blood Bank needs Medical Officers, Technicians, Staff Nurses, and other staff, sophisticated equipments, Building Premises for these activities.

The National Blood Council has calculated all these processing cost which is about Rs.1050/- per bag in order to maintain viable cost effective Blood Bank.

The Blood Collected at the camp is issued to Thalassemia Children, HIV Patients and Govt. Hospitals for free of cost. Rest of the Blood units are issued to the patient at a price fixed by the Govt.

We request you to kindly visit the Blood Bank to know various activities in Red Cross Blood Bank.

Thanking you,

Construction of Water Tank

Date of program: March 3rd, 2022 ✓

Number of participants/students benefited: 10

About the program:

Pure drinking water is the world's first and foremost medicine

We have helped the villagers of Ippaipally in the construction of a drinking water tank, to alleviate their suffering as the villagers had to travel longer distances to get drinking water due to water scarcity and lack of water tanks.

Total amount contributed by students is: Rs 51,150/-

Overall Feedback:

The provision of this water tank shall confront the problem of water scarcity during crisis and provide the entire village with sufficient, safe drinking water.

REPORT
**Threads of tradition, woven into every masterpiece- Organised
for Weaver's community**
2021-2022

Date of Program: 29/01/22
Number of Participants:2386

About the program:

The National Handloom Day is celebrated on the 7th of August every year since 2015. It was celebrated with great enthusiasm and reverence in G.Narayanaamma Institute of Technology and Science. The event aimed to raise awareness about the rich cultural heritage of handloom textiles in India and promote the use of handcrafted fabrics. The occasion was organized and witnessed active participation from students. Due to the present scenario of COVID 19, the program is being conducted on Jan 22 instead of August 21.

The National Handloom Day celebration was a resounding success, with good vibes in the campus fostering a deeper understanding and admiration for the cultural heritage of handloom textiles. The event reiterated the importance of supporting and promoting handloom products for their cultural, economic, and environmental significance.

Blanket Donation Drive

Date of program: Dec 31st, 2021 ✓

Number of people benefited: 25

About the program:

In order to alleviate their suffering and spread warmth we have distributed blankets to homeless people across the city, so they can guard themselves from cold.

Total amount contributed by students is: Rs 4,500/-

Overall Feedback: Blankets have been provided to several homeless people who can't afford themselves with blankets and helped them to stay warm.

Provision of lights wiring and School Gate

Date of program: November 26th, 2021 ✓

Number of participants/students benefited: 15

before

after

About the program:

"A good education is a foundation for a better future." Now, that the schools have resumed their curriculum, we have provided some equipment like lights, wiring in classrooms and a school gate to the students of government school in Ghatkesar Mandal, when we got to know that the students were facing difficulty in studying due to the lack of proper lighting.

Overall Feedback:

Provision of lights, wiring and ensured a proper environment for the students so as to study comfortably in the school.
