**ROTARACT CLUB OF GNITS:**

**ROTA TALKS**

on 29th October 2022

Rotaract Club of GNITS hosted the "ROTA TALKS" event on 29th October 2022 at G. Narayanamma Institute of Technology. The main motto of this event was to motivate the students and help them in developing their technical educational knowledge and make them more aware about the developments that are happening around the globe. The topics spoken by each speaker had a touch of their own life experiences and how those experiences shaped them as a person, they are known for today.

The first speaker of the day was **CA Vineeth Suresh** whose talk set the pace and highered the bar of anticipation for further speeches. His talk revolved around the topic "Living By Example", where he spoke about how, we all are always in search for that one, "perfect" role model throughout our lives. He also stressed on the fact that in the path of taking inspiration from our role models, most of us end up copying them and forgetting the person we actually are. His talk was filled with a lot of his personal experiences and stories of other successful people, all narrowing down to the point that flawed somebody is always better than a flawless copy of somebody.

To lighten the mood, after the speech we had a singing performance by a former Bol Baby Bol contestant and also a student of GNITS, Varshini.

After the performance, the floor of the hall was all set for the talk by **Sai Prasad Vishwanath**, a software engineer and also the first Asian with disability to set foot in the Antarctic continent. His talk was very entertaining and created a lot of chuckles in the auditorium. His story as a Software engineer, an Entrepreneur and a person with disability was beautifully explained in the form of short funny incidents that kept the students at the edge of their seats the whole time!

Soon after the speech came, one of the highly awaited speakers, **Nandini Reddy**. She is one of the very few female film technicians in the Indian film industry today. Her talk on her journey as an aimless teenager to an accomplished and dependable directors of the telugu film industry was truly inspirational. It gave a sigh of hope to a lot of students in the audience who were contemplating their life choices. Her story about the making of her first film and the efforts she put into it, opened our eyes on the extensive amount of work put-in, in the making of Cinema at the backend. It made us appreciate Cinemas and also other forms of art presented which we would otherwise, be aloof of.

After a lunch break, all of us were fueled up for the talk by founder of Abhi Bus, **Sudhakar Reddy Chirra**, who was an awaited speaker for all of the blooming entrepreneurs of GNITS. He spoke about his passion for technology and how it lead to the formation of the well known travel portal AbhiBus, as we know it today. His talk was truly inspiring and encouraging, especially to all the students who are aiming to build start-ups someday.

The Rota talks session continued with a speech by a guest speaker followed by a performance by the college band "Concords". This performance transformed the formal setting of the session into a mellow concert-like experience leaving the students asking for more.

The last Speaker of the session was **Dr. Arpita Velanky** who has been working to enhance the competencies of employees in various roles by implementing interventions which include training, coaching, therapy etc. She spoke about the different aspects of being a women of today and also highlighted the

psychological toll it takes on her at different stages of her life. Her talk was very interactive and encouraged the students to give their perspective on the various issues she spoke about. Through some fun quizzes, she tested the student's analyzing capabilities and also gifted active participants, with online courses. Lastly, we had a performance by the college dance crew "Even and Odds" which filled the hall with enthusiasm and euphoria. This marked an appropriate ending to the Rota Talks event as it left the students with a feeling of a new found inspiration and contention. We formally ended this session with the Vote of Thanks and National Anthem.

## STREET CAUSE

2022-2023

REPORT

Vastra Dana

Date of program: September 23<sup>rd</sup>, 2022

Number of participants/students benefited:40

Number of GNITS Volunteers Participated:30

### About the program:

Making a positive change in the world doesn't have to be expensive. Cloth donation drive is a great way to help someone who can't afford to buy new clothes. In the view of this, We Street Cause conducted Vastra Dana. Many people stepped forward and donated their old clothes. As a token of our gratitude, we donated all of the clothes collected from the Vastradana to oldage & orphanage homes. We are grateful to be able to donate these clothes. The orphans and elderly people loved them and it is always inspiring to see how people feel once they get clothes.

**Total amount contributed by students is: RS.1383/-**

### Overall Feedback:

Cloth donation drive was a great success and it was inspiring to see so many people come together to make a difference in the lives of those in need. The donated clothes will make a significant impact in the lives of people who do not have access to basic clothing necessities.
