About the Program:

On March 8th and 9th, 2023, GNITS (G. Narayanamma Institute of Technology and Science) celebrated International Women's Day by hosting the inaugural Women in Leadership Conclave. This pioneering event aimed to champion leadership equity and inspire women to embrace leadership roles. They transformed the campus into a visual spectacle, adorning the Entrance Road with symbolic flowers and lanterns, festooning the Admin Road with thematic flags, and showcasing influential women's portraits on the Memorial Road. Additionally, Artista organized the ARTRIO art exhibition, featuring exceptional artwork by GNITS students, along with live portrait sketches. The event, with its slogan, "It's not what you look at that matters, it's what you see," received an enthusiastic response, inspiring attendees and emphasizing the intersection of art and leadership. Artista's contributions added depth and visual splendor to the conclave, highlighting the importance of celebrating and empowering women in leadership through artistic expression.
