ONE WEEK FDP on "AMAZON WEB SERVICES"

22/08/2022 to 27/08/2022

Organized by

G. Narayanamma Institute of Technology & Science

Autonomous (For Women)

Shaikpet, Hyderabad.

In association with

Brain O Vision Solutions India Pvt. Ltd.

Dear Sir/Madam,

Department of CSE, G. Narayanamma Institute of Technology and Science (for Women), Shaikpet, Hyderabad, Telangana and Brain O Vision Solutions India Pvt. Ltd., Hyderabad are pleased to invite you to attend Faculty Development Programme (FDP) on "AMAZON WEB SERVICES" to be held from 22nd – 27th August, 2022 in online mode.

AWS comprises over 200 products and services including computing, storage, networking, database, analytics, application services, deployment, management, machine learning,^[14] mobile, developer tools, RobOps and tools for the Internet of Things. The most popular include Amazon Elastic Compute Cloud (EC2), Amazon Simple Storage Service (Amazon S3), Amazon Connect, and AWS Lambda (a serverless function enabling serverless ETL e.g. between instances of EC2 & S3). They will have an opportunity to learn how to handle cloud information and how to create cloud account from the speakers of Academia and Industry.

I take the privilege to request you to give wide publicity to this FDP in your organization by circulating the enclosed brochure that contains detailed information.

Action Taken on FDP “Amazon Webservices” Held from 22-08-2022 to 27-08-2022

Actions Taken: After conducting an in-depth analysis of the feedback received for our Faculty Development Program (FDP), we found that the assignments and overall rating were slightly below our expectations. To address this concern and ensure a more enriching learning experience for our participants, we have decided to take decisive actions. Moving forward, we will be transitioning the FDP to an offline mode. This change aims to foster better engagement and interaction among participants, providing them with a more conducive environment for learning and collaboration. Additionally, we will be incorporating valuable insights from the feedback into the course content and structure, tailoring it to meet the specific needs and preferences of our participants. By implementing these actions, we are confident that the FDP will witness significant improvements, enabling us to better support the professional growth and development of our faculty members. We are excited about this positive change and look forward to the enhanced outcomes it will bring.
