Department of EEE

Stake holders curriculum feed back for B.Tech (EEE)

Actions taken 2022-23

ACTION TAKEN REPORT ON CURRICULUM FEEDBACK

Feedback on the curriculum is collected regularly from various stake holders; employers, faculty, students, and alumnae. The collected feedback is then analyzed by PAC committee of the EEE Department and the following actions are proposed to the concerned Board of Studies . It is proposed to have some computer programming/simulation labs.

- It is also proposed to have new topics in both professional core and in open electives .
- Some advanced technologies in the courses are proposed to add in the syllabus.
- It is proposed to see that laboratory experiments are organized according to the theory of the corresponding courses.
- It is planned to organize industrial visits relevant to the the syllabus of few courses.
- Necessary initiatives were taken to improve student-faculty interaction and to understand the challenges and opportunities present in the Institute and to counsel their academic and personal problems 'Students Mentoring System' is introduced.
