Stakeholder Curriculum Feedback
Summary and Actions Taken
2022-23

Feedback on GNR-18 collected from various stakeholders. Following are the inputs received from the stake holders regarding the syllabus.

The stake holder feedback report was put forward in the DAC meeting of CSE department and a detailed discussion was made and the following actions were proposed:

FEEDBACK SUMMARY

- Student's suggestions were about industry oriented lab subjects that help them to get placements.
- Alumnae suggested guest lectures on advanced courses and tools which would help students gain more knowledge.
- Parents were satisfied with the curriculum and also suggested to increase placement opportunities by providing more trainings.
- Employer's focused on giving high priority to practical knowledge by including more workshops and hands-on lab sessions.
- Faculty suggested industry collaborated workshops.

ACTIONS TAKEN

- New advanced subjects like Deep Learning Computer vision, Wireless networks, and Recommender systems based on current technologies in the market were introduced.
- Workshops with hands-on sessions are being conducted as value added courses.
- More research oriented projects in R&D were encouraged.
- This feedback and comments will be sent to BOS committee for further discussion and inclusion in curriculum.
