Proposal for the Workshop

Hyderabad,

03/11/2019.

To
The Principal,
GNITS

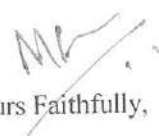

Through proper channel

Respected Sir,

SUB: Request for conducting 2-days FDP on **Artificial Intelligence and Machine Learning Demystified** - REG

We, the Department of Computer Science and Engineering propose to organize a Faculty Development Program on **Artificial Intelligence and Machine Learning Demystified** from 23rd and to 30th November 2019. The purpose of this FDP is to give practical knowledge of building applications based on Artificial Intelligence and Machine Learning application. This FDP will give greater understanding of both practical and theoretical concepts for faculty. This would help them in gaining knowledge to teach Artificial Intelligence and Machine Learning subjects to the students. Hence, we request you to kindly grant permission to organize the same.

Thanking You Sir,

Yours Faithfully,

Dr. M. Seetha

Convenor & HOD CSE

PRINCIPAL

Invitation

Date: 11/11/2019

To
Dr. DileepKumar Appana,
Data Scientist,
Arya AI Inc.

Subject: 2-day FDP on “Artificial Intelligence and Machine Learning Demystified” -
Resource person- request for acceptance-Reg.

Sir,

This is to bring to your kind notice that the department of CSE, GNITS is organizing a 2-day FDP on “Artificial Intelligence and Machine Learning Demystified” at GNITS, Hyderabad. We would like to take your help in getting deep practical knowledge on Artificial Intelligence and Machine Learning Demystified. It is our immense pleasure to invite you as resource person for the above mentioned workshop. Please accept our invitation and share your technical knowledge to our technical staff. Please do needful.

Thanking You,

Yours faithfully

T.Divya Kumari

Acceptance

Date: 12/11/2019

To
The Coordinator,
GNITS,
Hyderabad.

Subject: Acceptance for resource person intimation-reg.

Sir,

I am very much happy to receive your initiation as resource person for the 2-Day FDP planned at GNITS. As I am passionate to teach Artificial Intelligence and Machine Learning Demystified for professionals, I hereby convey my acceptance to attend for the 2-Day FDP on Artificial Intelligence and Machine Learning Demystified from 23-11-2019 to 30-11-2019.

The session will be consisting of theory and practical classes. Hence it is requested to note my acceptance and make necessary arrangements for smooth conduction of workshop.

Thanking You,

Dr. Dileep Kumar Appana

ONLINE FACULTY DEVELOPMENT PROGRAMME (FDP) ON Artificial Intelligence and Machine Learning Demystified

(23rd November & 30th November 2019)

Organised by

G. Narayanamma Institute of Technology and Science (Autonomous), Hyderabad

About the FDP:

The FDP is to give an introduction and insight into one of the most important In today's data driven business world, catchphrases like artificial intelligence (AI) and machine learning (ML) are terms swirling around boardroom discussions. These digital concepts are increasingly becoming imperative for CIOs and IT leaders in critical decision-making process. Often times these terminologies are loosely or interchangeably referred, without deciphering the real meaning and how individually and collectively they impact businesses. In order to exploit the true potential of these technologies, it is critical for companies to demystify the ambiguity surrounding them.

we attempt to demystify the terminologies, explain the comprehensiveness of what data science and data analytics is, what artificial intelligence (AI) embodies, and how technologies like Machine Learning (ML) and Deep Learning (DL) are evolving fast, stimulating AI adoption on a broader scale. Here, we take you briefly through the natural evolution of these technologies spanning over decades, how we could distinguish one from another in our business conversations and how today they interact and correlate with each other to digitally transform the current business landscape.

Major Course Contents:

1. Introduction of Artificial Intelligence.
2. Importance of Machine Learning.
3. Efficiency of AI and ML.
4. Future of AI & ML

Faculty conducting this programme:

The programme will be conducted by the faculty members Academicians in the concerned field are invited to participate in the program. Speakers from industries are also expected to deliver as part of the course.

Registration Fee Particulars:

Faculty and Research Scholars	No Fee
Industry Participants	No Fee

Participants need to pay the Registration Fee Online using the following details

How to apply:

Participants are required to fill the online registration form by clicking on the following link:

<https://forms.gle/g1qtJ2au1ZhwZarp7>

Selection Criteria:

Selection will be done based on first-come-first-serve basis to a maximum number of 60 (sixty). Additionally, 10 participants from industry are allowed to participate. The list of selected participants will be intimated through e-mail. In case a candidate is not selected, the DD will be sent back. Candidates will be issued satisfactory certificates on successful completion of the course. Reservations are followed for selecting candidates as per GOI norms.

Important Dates:

Last date (Application & DD)	20.11.2019
Selection List by E- mail	21.11.2019
Duration	23.11.2019 & 30.11.2019

About GNITS:

G. Narayanamma Institute of Technology & Science (GNITS), Hyderabad, a leading Engineering college for women, was founded by late Mr G. Pulla Reddy in 1997, with an objective to provide quality education in Engineering. GNITS received UGC Autonomous status for 10 years from 2018 and is affiliated to Jawaharlal Nehru Technological University (JNTU-H), Hyderabad with accreditation from NAAC, NBA and ISO certified. GNITS offers 8 B.Tech and 5 M.Tech programmes with 2640 students enrolled in B.Tech stream and 180 in M.Tech stream. First college in India to establish Apple Lab inaugurated by Tim Cook. Its excellent infrastructure provides opportunity for students to excel and secure placements in top MNC's on par with NITs, IITs & IIITs.

About CSE:

The Department of CSE offers two new programmes under B.Tech CSE with specialization in AI & ML and Data Science. The department has 9 doctorates & 24 pursuing Ph.D from reputed universities. Two research centres are established one for IOT and another for AI & ML with AICTE-MODROB funds. Quality research papers & 5 patents are published by various faculty. 95% of eligible students from CSE are placed in top MNC's with the highest pay package of 45 lakhs.

Action Taken on FDP “Artificial Intelligence and Machine Learning Demystified “

Held from 22-08-2022 to 27-08-2022

Actions Taken:After conducting an in-depth analysis of the feedback received for our Faculty Development Program (FDP), we found that the assignments and overall rating were slightly below our expectations. To address this concern and ensure a more enriching learning experience for our participants, we have decided to take decisive actions. Moving forward, we will be transitioning the FDP to an offline mode. This change aims to foster better engagement and interaction among participants, providing them with a more conducive environment for learning and collaboration. Additionally, we will be incorporating valuable insights from the feedback into the course content and structure, tailoring it to meet the specific needs and preferences of our participants. By implementing these actions, we are confident that the FDP will witness significant improvements, enabling us to better support the professional growth and development of our faculty members. We are excited about this positive change and look forward to the enhanced outcomes it will bring.

Report on

ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING DEMYSTIFIED

Date of Program: 23-11-2019 & 30-11-2019

Number of Participants: 25

About the Program:

Faculty Development Program for 2 days in online mode on “Artificial Intelligence and Machine Learning Demystified” from 23-11-2019 & 30-11-2019

A huge response with 25 participants across various colleges from in and around Hyderabad attended this FDP. Most of the sessions were hands-on sessions with active participation and interactive teaching and learning.

Day1 (23-11-2019) Session on Introduction of Artificial Intelligence and Machine Learning, Advantages, Scope and Challenges

Day2 (30-11-2019) Session on Concepts of Artificial Intelligence and Machine Learning, Future scope, Evolution and algorithms of Machine Learning, Industrial usages

By

Dr. DileepKumar Appana,
Expert in ML, Working as
Data Scientist, Arya AI Inc

Number of Participants

Benefited: 25

Overall Feedback:

Overall online feedback was taken from participants and the response collected was 80% excellent, the sessions were very interactive and worthwhile helping participants to drive into future analytics for decision making
