- Very Good 57%
10. Rate the contribution of the courses in terms of professional core area.

Question 10

Good
21%

Excellent
36%

Very Good
43%
Comments from Faculty:

1. Curriculum can include some hands on sessions towards latest communication technologies like 5G,6G.
2. Credits can be increased for computer subjects.
3. Include projects for in every semester.
4. It is better to include computer subjects like DMS,Datascience,AI&Ml.
5. It is better to include labs for all professional electives.
6. TSSN subject should be shifted to III-II semester instead of IV-I semester
7. It is better to reduce the syllabus for II Year subjects.
8. The syllabus should be made more industry specific.
